At Trident Group we believe in working closely with our residents and customers. Which is why your Locality Officer will focus on building a relationship with you to identify ways we can support you in sustaining your tenancy with us.

Your Locality Officer will support you in managing your tenancy and provide you with:

- Environmental management
- Resident engagement activities
- Tenancy support and information on housing related services
- Annual tenancy audit check
- Help and advice on your rent account and service charge as well as seeing how you can be further supported to maintain rent payments
